

Presentation

VFX Artist/Graphic Designer Portfolio

A showcase of design concepts, brand identities, and creative visual systems that tell stories.

Design isn't just about aesthetics—it's about clarity, purpose, and visual narrative. My work centers on creating clean, intentional design systems that give brands a strong, recognizable voice across every touchpoint.

About Me

I'm Anuj

Education

Advance Diploma in 2D & 3D Film Animation

Duration - 02 Years

My Design Philosophy

“I believe design should be intentional, uncluttered, and functional. My process balances clean typography, structural grids, and purposeful color choices to build brand assets that cut through the noise.”

Hi I'm a VFX Artist/graphic designer with a passion for transforming ideas into compelling visual experiences. With a background in digital design and branding, I blend strategy with aesthetics — creating work that not only looks stunning but communicates with purpose. Every pixel tells a story.

Print Design Work

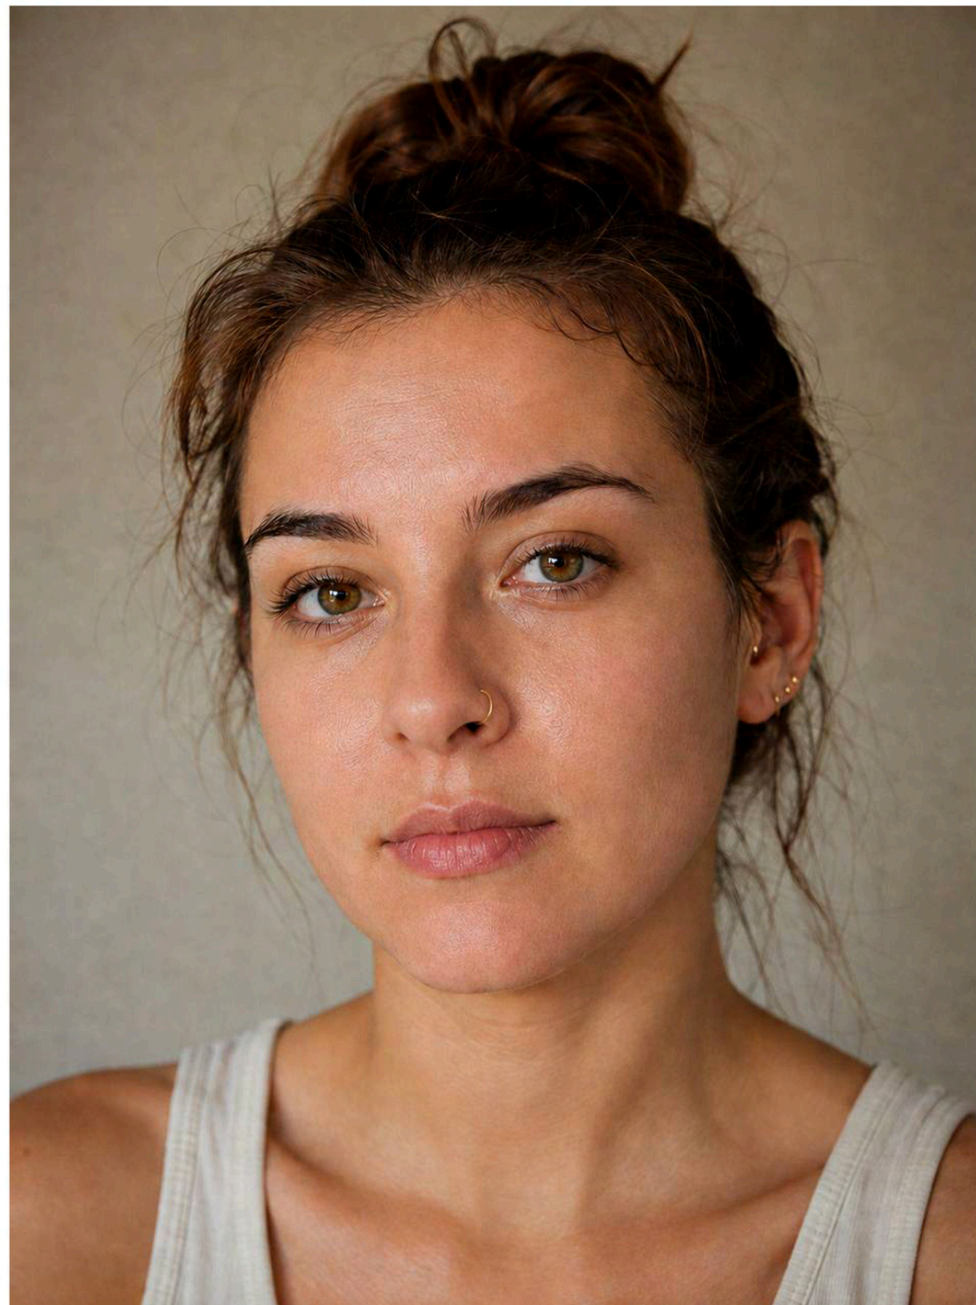

Poster/ Flyer

a single-page paper or digital advertisement that combines the large-scale visual impact of a poster with the informative, take-home nature of a flyer. a clean and modern real estate promotional flyer designed to showcase the property, highlight key features, and create a premium visual appeal. Focused on clear typography, strong imagery, and easy-to-read information.

Before

After

Brush Tool

Photo-Retouching

the detailed process of polishing an image by making small, localized adjustments to remove flaws, clean up distractions, and perfect the final presentation.

Jewellery Highlight

To make jewellery stand out

visual editing technique that adds bright, reflective gleams to gemstones and metals in product photography, or to curated Story albums on jewelry business profiles. photo editors use dodging techniques, contrast boosts, and layer masks to enhance the natural luster without making the piece look artificial.
